

PRESERVING OUR HISTORY. SECURING OUR FUTURE.

Carol,

Here we are. We have just 4 days to contact everyone we know to get out and vote Tuesday.

While the Ransone army of volunteers are busy contacting our supporters throughout the district, my opponents are busy throwing their last minute "Hail Mary" passes by falsely attacking me on the radio and through malicious emails.

They clearly don't know how we do things here. My campaign has been positive, because it's been centered around bringing positive change to our community. This campaign has been about you, our families, and our businesses.

I need you to remember to get to the polls Tuesday, and cast your vote for our cause. I need you to contact your friends and family, and remind them how important this race is.

This is going to be an extremely low turn-out race, and every vote is going to matter. Please remember to cast your vote on Tuesday, and help us spread the word.

Thanks again for all you continue to do,

Margaret Bevans Ransone
