

The Virginia Republican Creed

We Believe . . .

That the free enterprise system is the most productive supplier of human needs and economic justice

That all individuals are entitled to equal rights, justice, and opportunities and should assume their responsibilities as citizens in a free society

That fiscal responsibility and budgetary restraints must be exercised at all levels of government

That the Federal Government must preserve individual liberty by observing constitutional limitations

That peace is best preserved through a strong national defense

That faith in God, as recognized by our Founding Fathers, is essential to the moral fiber of the Nation.
